Registration Information:

-
- To register: Click Here
 - Registration will open on Saturday, March 23 at 9:00 am. Form will not be enabled prior to that date/time. Any forms somehow received prior to that time will be discarded.
 - After you submit your registration, within 24 hours, please send me an email at kathie@touchngoagility.com and rank order your selections for working spots: as an example:
 1. Threadle Slice / Threadle Wraps
 2. Blind Crosses
 3. Distance Handling / Layering
 4. Masters Short Sequences
 - List as many as you like.
 - Initially, you will be registered for one seminar/workshop. On Mar 30, I will fill any remaining openings with additional requests (one of the reasons for the rank ordering).

DO NOT SEND PAYMENT UNTIL YOU RECEIVE AN EMAIL FROM ME VERIFYING THE WORKSHOP/SEMINARS YOU ARE REGISTERED FOR.

- You may work a second dog, but it must be at the same level or higher as your primary dog AND you may only work one dog per exercise.
- All registrations received in the first 24 hours will be prioritized as follows:

- 1 – Current Touch & Go students
- 2 – Participants of prior Jen Pinder seminars in chronological order (ie 2024 participants prioritized before 2023, etc)
- 3 – All others
